DYNJANDI, ICELAND

Featured Highlights:

Complimentary Signature Events: Take a Polar Plunge from the side door of our expedition ships and a Zodiac® into Arctic waters, and sample Champagne and caviar on deck during Caviar on the Ice with glittering glaciers as your backdrop.

Bucket-list Wildlife: From Beluga whales to Atlantic puffins, enjoy wildlife viewing experiences ashore, at sea level in Zodiacs and kayaks, on our uncrowded, spacious deck, or from the comfort of your suite's private veranda.

Northern Lights: Seek out nature's light show from the ship's Constellation Lounge, featuring floor-to-ceiling glass walls ideal for catching a glimpse of this phenomena.

Image Masters: Capture the Moment in this immersive limited-seat workshop providing in-depth, in-the-field instruction on photo composition, camera technique, editing, and retouching, all led by an accomplished nature photographer.

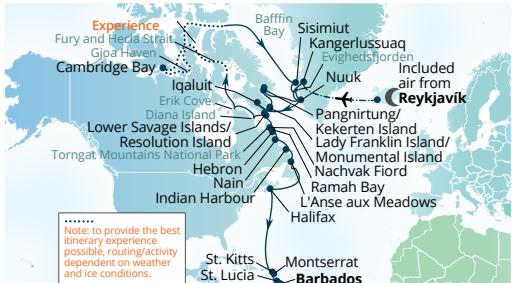

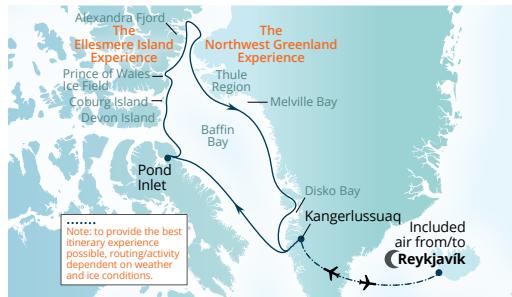

Cultural Connections: Meet the people who call this remote region home, learn their traditions and hear their stories.

High Arctic: Immerse yourself in the otherworldly landscapes and remote cultures of Greenland and Canada. When conditions are just right, take a step off the vessel to literally walk on the ocean, transformed into a frozen playground.
