HEALTH AND SAFETY GUIDELINES ALASKA & CANADA/NEW ENGLAND CRUISES

Our Alaska and Canada/New England cruises are available for guests who have received their final dose of an approved COVID-19 vaccine at least 14 days prior to the beginning of the cruise. Guests under 5 years of age do not need to be vaccinated. Children between the ages of 5-11 who are not vaccinated may request an exemption at the time of booking and if approved may be subject to additional testing, fees and protocols. Exemptions are limited and not guaranteed.

PRIOR TO TRAVEL

Online or Seabourn Source App Check-in

- Download the Seabourn Source App or log into Seabourn.com.
- Complete the Vaccine Attestation, Cruise Contract and Risk Acknowledgment as soon as possible.
- Complete the pre-cruise Health Questionnaire, get your boarding pass and check-in time 72 hours before embarkation.

ArriveCAN

Within 72 hours of your cruise embarkation, sign into ArriveCAN from a computer or download the mobile app to enter proof of vaccination and travel information. Please bring a digital copy of the email or print your receipt. Guests not from Canada who are starting their cruise in Canada will need to complete ArriveCAN 72 hours before arrival and fill it out again within 72 hours of embarkation. Canadian guests will need to complete ArriveCAN within 72 hours of embarkation.

Proof of Negative COVID-19 Test

Guests who are up to date with their vaccines or fully vaccinated may take their COVID-19 PCR test within 72 hours prior to sailing or a medically observed antigen test within 2 days before sailing.

EMBARKATION

Required ID and Documents

Bring your required ID and show completion of your health questionnaire and risk acknowledgement.

Proof of COVID-19 Vaccination

Acceptable proof of full vaccination include original COVID-19 vaccination card or digital COVID-19 certificate (QR code acceptable). Documents are required to include vaccine type, the date of each vaccine administered, the individuals name and date of birth.

ONBOARD

Masks

- Masks are recommended on board but not required. We highly recommend guests wear a mask in the Grand Salon and other entertainment areas, casino, spa treatment rooms, youth activity centers and during any other congregate events. Masks are required to be worn during the entire embarkation and debarkation process, on transportation during any Seabourn organized shore excursion, on tenders to/from ports, and in the onboard Medical Center.

Shoreside Experiences

Fully vaccinated guests can explore destinations on their own or on independent third-party tours.

Personal Hygiene

- Guests will be encouraged to use hand-washing sinks and hand sanitizer dispensers at venue entrances and in high-traffic areas throughout the ship.

Enhanced Environmental Sanitization

- Public areas and Suites will be thoroughly and frequently cleaned using a safe disinfectant proven to kill coronaviruses.

Medical Care

- Our onboard team of experienced doctors and nurses are trained to manage a broad range of medical conditions including COVID-19.

Ventilation

- We have enhanced the air-handling systems on board our ships using a combination of increased circulation of fresh air together with upgraded air filtration.

Pre-Disembarkation Test

- Vaccinated guests needing a disembarkation COVID-19 test in Canada for their return travel to their home country will be responsible to arrange and cover the expense of that test. For more information visit Seabourn.com.

You can contact your nearest health center, pharmacy, state health department, or transiting airport to learn more about their availability for COVID-19 testing.

For more information visit Seabourn.com or contact your Travel Advisor.
